Hagley's Soda House

Hagley's Wedding Venue, The Soda House

Have your special day in the heart of chateau country. Add your personal touch and create the wedding of your dreams!

From the moment your guests drive through the Hagley gates they will be transported to a peaceful setting, a hidden treasure tucked away in the Brandywine Valley. This beautiful and charming building dates back to 1888. It is constructed from Brandywine blue rock, which is unique to the area, and is set against the rolling hills of Chateau Country. There is no other venue like it in the Brandywine Valley.

Imagine your photos set in a historic French heirloom garden next to the original du Pont family home, an elegant backdrop for photos, lovely in every season.

For arrangements, contact Karen Logan at klogan@hagley.org or (302) 658-2400, ext. 203. For venue information, visit www.hagleyweddings.com.
